RECYCLING GROUP

## Solutions to waste and recycling problems

## ENVISAGE A GREENER FUTURE

Centrol is a bespoke provider of recycling and waste management solutions. Still a proud family owned business and with over 40 years' experience, Centrol is a market leader in providing a wide range of environmental services, including recycling, waste management, data destruction and support with environmental legislation.

Whether you are a small high street retailer, or a multi-national manufacturer, you can trust us to deliver.

*'Centrol – more than just a name'*
